

4-H@HOME

British Columbia

CANADA
4-H British Columbia

Proudly Sponsored by BC Dairy

4-H@Home offers exciting 6-week projects delivered in lively 1 to 1.5-hour online sessions. Each project provides a high-level introduction to a variety of 4-H-inspired topics. No experience? No problem! Beginners are welcome unless otherwise noted. 4-H@Home is open to all BC youth aged 9-17. Whether you're a current 4-H member or brand new, you're invited! And if you're not already a member, we hope this will inspire you to join the 4-H family after participating.

We are committed to ensuring inclusivity, so youth with diverse abilities are welcome, but parent/guardian support may be needed to ensure the best possible experience.

Important Information:

- Projects are hosted live on Zoom! All you need is a computer or laptop with a camera, microphone, and a stable internet connection. Sessions are live and won't be recorded, so attendance is key to making the most of this experience!
- Each 4-H@Home project has its own schedule. Currently, we're offering sessions after school or in the early evening on weekdays—making it easy to fit into your routine!
- Each project costs \$50.00, but great news—thanks to a 2024 sponsorship from BC Dairy, participants can join for just \$25.00 per project!
- Click the link below to register today! After signing up, watch for an email with all the details, including a session overview and a list of materials you'll need for each week. Hurry, space is limited—each project has a maximum of 20 participants!

PLEASE NOTE:

4-H@Home participants are NOT eligible for 4-H BC member benefits (such as scholarships), or to participate in 4-H BC member programs and contests.

To learn how to join a 4-H BC club and receive full member benefits go to:
