

# 2024 4-H BC Program Information

## To: Regional 4-H Council Members and Key Leaders

This package is a general information package. For more detailed program descriptions and delegate eligibility descriptions, please refer to Publication #129, "4-H BC Program & Opportunities Guide".

- Deadlines for provincial programs are **PROVINCIAL DEADLINES** with online applications to be received by the 4-H BC office. Regional selections will take place in the two weeks following the Provincial deadline dates. **All provincial deadlines are firm and applications must be received by the deadline date.**
- Please actively promote the 4-H BC Programs to 4-H members and leaders within your district to ensure that all spaces are filled. Provincial Club Week, Provincial Communication Finals and Food For Thought require several volunteer facilitators and chaperones. Volunteer support ensures that these programs are provided for our 4-H members.

## ELECTRONIC ENROLMENT DEADLINE: JANUARY 31, 2024

- 2024 Enrolment will be completed electronically by each individual 4-H member and leader. Each leader and member of 4-H BC will create their own personalized login and password to access online enrolment.
- Screened Volunteers can now apply online using the link located on our website at <https://www.4hbc.ca/volunteering> (no login required). Reference check form will be automatically sent out to the listed references and will be combined with the application form before it is sent to the Club Registrar for review and completion of the interview section. Key Leaders will then review the applications.
- All required screening forms (see next paragraph) must be submitted with the online application by February 15, 2024.

## ENROLMENT PROCESSING DEADLINE: FEBRUARY 28, 2024

- District Key Leaders must submit payment for any fees that are not submitted online by February 28<sup>th</sup> to the 4-H BC Office.
